In order to continue and increase  
the *international dialogue*,  
the Headmaster of the I.I.S.S. “E.Giannelli” school,  
*Prof. Cosimo Preite*,  
thought about creating a  
*stable European network of schools.*

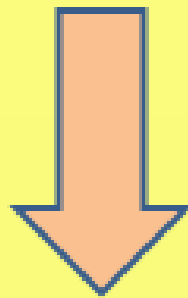

In June 2014, during a Comenius mobility in Italy,  
the Headmaster, ***Prof. Cosimo Preite***  
organized  
a ***Melting Pot Conference***,  
hosting 8 European partners.

To the European friends, the Headmaster proposed  
the agreement of  
**THE EUROPEAN YOUNG PEOPLE NETWORK.**

The idea was successfully accepted!

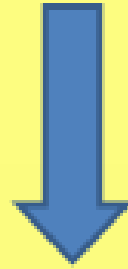

Since June 2014, the I.I.S.S. "E.Giannelli"  
is  
coordinator school  
of  
**The European Young People Network**

In accordance with **ET 2020**, linked in a stable European network,  
schools have the chance  
to maintain cooperation and an **INTERCULTURAL DIALOG.**
